Jack,

We don't have a way of showing a video at the meeting. Is the video on You Tube? I can bring my iPad in and show it before the meeting.

Best regards,

Lorena,

I spoke to Eric Eisenberg today and he mentioned that my request to be placed on the agenda to pitch PBID for a series of marketing videos was approved for next Wednesday's meeting.

I was wondering if your meetings have the capability of screening videos? If not, no big deal, but I'd like to show a 60 second commercial I previously made for PBID and a 60 second video that I made for AltaSea that can provide a visual example of what I will be discussing.

Thank you,
